Drs. Michelle Markley, Hillary Gwen Miller, and Gregory S. Sheff, look forward to continuing your medical care at their new offices at ARC Far West beginning December 5, 2011. Their move next door allows Austin Regional Clinic to expand our specialty services at **ARC Far West Medical Tower**.

Beginning March 2012, we will provide Ob/Gyn services in addition to the other specialties already available at this location. Together, both of our locations at Far West and Austin Center Blvd. provide the majority of your healthcare needs at one convenient location.

Please call (512) 346-6611 to make an appointment with Drs. Michelle Markley, Hillary Gwen Miller, or Gregory S. Sheff at ARC Far West. For more information, please visit our web site at AustinRegionalClinic.com, or call ARC-INFO at (512) 272-4636.
