Dear Patient:

After much thought and consideration I have made the decision to leave my practice at Austin Regional Clinic to spend more time with my family. It has been an honor and a privilege to care for you over the last five and a half years. My last day at ARC will be February 26th.

If you are not a regular patient of mine, your care at ARC will not change.

I know that my departure might leave you concerned about your continued medical care. I assure you that I have complete trust and confidence that my partners will continue to give you excellent care. The following doctors are part of ARC's dedicated health providers and are more than happy to welcome you into their practice:

- Diane Brinkman, M.D.
- Robert Cosentino, M.D.
- Kristen Hansen-Peterman, M.D.
- Paul Bushart, M.D.
- Alinda Cox, M.D.
- Rosa Moreno, M.D.

If you choose to establish with an ARC physician located at another ARC location, we can help you find another doctor. You can visit AustinRegionalClinic.com or call the ARC Information and Referral Line at (512) 272-4636.

Once again, I am grateful for the privilege of caring for you and your family. I will miss all of my patients dearly. I have truly enjoyed getting to know you and your family. I thank you for allowing me to be a part of your life and I wish you good health.

Sincerely,

Michelle Gooch, MD
