

Austin Regional Clinic
PEDIATRICS

If you have children, or are planning to have children, a Pediatric specialist can guide you and your child through the milestones from birth through age 18. Your child's pediatrician works with you to attain the optimal physical, mental, and social health and well-being for your child. For your convenience, we make **access to pediatric care** easy with multiple locations for physician appointments.

Conditions Treated

- Bacterial illnesses
- Child development issues
- Minor injuries
- Seasonal allergies
- Viral illnesses including the flu
