

Austin Regional Clinic
PODIATRY

Foot pain is not normal. If you are living with foot discomfort, like 75% of Americans, consider consulting a Podiatry specialist. Our board-certified podiatrists see patients of all ages for evaluation and treatment for most issues below the knee. We are dedicated to providing the most up-to-date diagnostic and treatment options available. For your convenience, we make **access to podiatric care** easy with appointments available at multiple locations.

Conditions Treated

- Bunions
- Diabetic foot complications
- Fractures and soft tissue injuries of the foot and ankle
- Hammertoes
- Ingrown nails
- Neuromas
- Plantar fasciitis (*heel pain*)
- Warts along with other dermatologic conditions

Services Offered

- Arthroscopy
- Casting or other forms of immobilization
- Devices to assure proper foot alignment
- Exercises
- Locally injected medication
- Oral medication
- Surgery
