MaryAnn Cecelia Katherine Gamble, MD

Board Certified in Family Medicine
Languages: Spanish

“I love the whole spectrum of family medicine, and enjoy watching patients and their families grow and change together. I offer care for all chronic and acute illnesses with a particular focus on adolescent care and women’s healthcare. I believe in practicing non-judgmental healthcare, and in educating patients so they can be masters of their own health. I encourage the use of diet to improve health and well-being.”

Margaret “Molly” B. Gilmore, MD

Board Certified in Family Medicine
Languages: Conversant in Basic Medical Spanish

“I chose a career in Family Medicine because it offers an opportunity to work with all people, regardless of age, gender, or medical condition. I believe my role is as much about promoting health and wellness as it is about treating illness. My goal is to form a partnership with each patient, and to be accessible, up to date, and a careful listener. The greatest reward for me as a Family Physician is the continuity of care, and getting to know patients and their families over the years.”

Michael (Mike) Ward, MD

Board Certified in Pediatrics

“My goal in caring for my patients and their families is to partner with them in reasonable ways that educate, encourage and empower each one to become a confident caretaker of his or her own health.”
