Accepting New & Established Patients

Jennifer C. Christensen, MD

Board Certified in Pediatrics
Languages: Tongan

“I chose Pediatrics because it is a pleasure and an honor to care for children from newborn to adolescence, and I am passionate about preventive care. I want to help provide the best guidance for both well and sick children, and I believe in patient education and evidence based medicine. Each patient is unique, and I work to find out what works best for each one while embracing cultural differences. I love to watch my patients grow and thrive!”

Mark A. Nugent, MD

Board Certified in Family Practice
Languages: Limited Spanish

“I love medicine because it allows me to spend my days doing interesting and challenging work while helping people at the same time. Family medicine appealed to me from the beginning due to its variety. I knew I’d never get bored – and I haven’t!”
