

July 20, 2021

Dear Patient,

I hope this letter finds you and your family in good health. After long consideration, **I have decided to transition my practice to an as-needed physician at ARC South 1st.** Tuesday, August 31, 2021 will be my last day accepting scheduled appointments at ARC South 1st, however I will continue to work intermittently when needed. Please disregard this letter if you are not a regular patient of mine. Your care at ARC will not change.

It is very important to me as well as ARC that you maintain continuous health care. Please be assured that ARC's Internal Medicine doctors and all the doctors at Austin Regional Clinic will be available to treat you as needed. ARC's electronic medical record system allows your records to be accessed from any ARC location, and ensures that all my notes and all your medical records will be available for your care.

At Austin Regional Clinic it is our standard that we support our partners and take care of each other's patients. I have complete trust that my colleagues are more than happy to welcome you to their practice and will take excellent care of your needs. **I recommend the following Internal Medicine and Family Medicine doctors at ARC South 1st:**

- Zayd N. Nashaat, MD – *Internal Medicine (starts 08/05/21)*
- Sunita P. Gaur, MD – *Internal Medicine*
- Sharon F. Liu, DO – *Internal Medicine*
- Dana M. Garcia MD – *Family Medicine*
- Jonathan A. Lee MD – *Family Medicine*
