

June 20, 2022

Dear Patient,

I hope this letter finds you and your family in good health. I am writing to inform you of an upcoming change which may affect your health care. After much thought and careful consideration, I have decided to relocate to Arizona to be closer to family.

Thursday, July 7, 2022 will be my last day seeing patients at ARC Georgetown.

Please disregard this letter if you are not a regular patient of mine. Your care at ARC will not change.

It is very important to me as well as Austin Regional Clinic that you maintain continuous health care. Please be assured that my fellow primary care providers will be available to treat you as needed. ARC’s electronic medical record system allows your medical records to be accessed from any ARC location, and ensures that all of my notes and all your medical records will be available for your care.

At Austin Regional Clinic it is our standard that we support our partners and take care of each other’s patients. I have complete trust that my colleagues are more than happy to welcome you to their practice and will take excellent care of your health. I recommend the following family and internal medicine providers at **ARC Georgetown, ARC Sendero Springs and ARC Round Rock:**

ARC Georgetown

- James W. Rogers, MD
- Chau B. Nguyen, DO (*Internal Medicine*)
- Jennifer A. Hensley, APRN, MSN, FNP-C
(starting 08/01/2022)

ARC Sendero Springs

- Sarat C. Burri MD

ARC Round Rock

- Anisha Virani, MD
- Joe T. Nguyen, MD
- Daniel J. Kelly, MD

Next Steps:

- Notify your insurance company of your new primary care physician (PCP)** if your plan is a commercial HMO, Medicare Advantage HMO or PPO, or your plan requires you to inform them of a change in PCP.
- Schedule your next appointment** in the following ways:
 - At MyChartARC.com or on the MyChart app if you have an ARC MyChart account
 - Online at ARCbooknow.com
 - Call ARC Georgetown at 512-819-0264, ARC Sendero Springs at 737-220-7500, or ARC Round Rock at 512-244-9024, anytime 24/7 and press “1”
- Call our referral line at 512-ARC-INFO (512-272-4636)** for guidance on choosing a new doctor or read about our doctors at AustinRegionalClinic.com/find-a-doctor.

I am truly grateful to you for entrusting me with your health and allowing me to be your doctor.

Sincerely,

Imren Ozturk, MD, MBS | Family Medicine Department | ARC Georgetown
