

Selecting a Pediatrician

A pediatrician is a physician who specializes in the treatment of children, from newborn through the end of high school.

When selecting a pediatrician there are several factors you should keep in mind:

- Is the location of the pediatrician's office convenient to your home, work, or your child's daycare or school?
- Is there same-day and after hours availability?
- Are there other pediatricians available to see your child when your pediatrician is not available?
- Is there a patient portal with the ability to message your child's doctor, nurse, book appointments, and view medical records online any time?

At ARC we understand the importance of having a healthcare team available whenever you need it. Therefore, we offer **Same-Day** and **After Hours care** at select clinics, provide **24/7 phone nurses**, and when your doctor's office is closed, a pediatrician from the group is always on call.

Together our pediatricians and clinical staff work as a team, using the ARC philosophy of coordinated care. You can schedule an appointment at any ARC location and choose from a diverse group of doctors for both primary and specialty care.

ARC Pediatric Services

- ✓ 24/7 Medical Care

OUR VACCINE POLICY

The pediatricians at ARC share a preventive approach to medical care and support immunizations, agreeing that for the safety of newborns and other immuno-compromised patients, we accept **only new patients who vaccinate**. Vaccinations are one of the best ways to put an end to the serious effects of certain diseases, and we want to make sure you and your family feel safe when visiting our clinics.

VIRTUAL PEDIATRICIAN MEET & GREET

ARC prenatal pediatric meet & greets are a free service available to you. We now offer virtual meet & greets where you can get to know an ARC Pediatrician one-on-one from your device, ask questions, and learn what to expect for the care of your newborn. **Find a location below and call to RSVP or for more information.**

Occurs on the **3rd Thursday** of every month at **5:30 pm**.
