

1/12/2022

Dear Patient,

I hope this letter finds you and your family in good health. I am writing to inform you of an upcoming change which may affect your health care. For personal reasons and after careful consideration, I will no longer be seeing patients at Austin Regional Clinic.

Monday, January 31, 2022 will be my last day seeing patients at ARC Quarry Lake.

Please disregard this letter if you are not a regular patient of mine. Your care at ARC will not change.

It is very important to me as well as Austin Regional Clinic that you maintain continuous health care. Please be assured that ARC's Internal Medicine doctors and all the doctors at Austin Regional Clinic will be available to treat you as needed. ARC's electronic medical record system allows your records to be accessed from any ARC location, and ensures that all my notes and all your medical records will be available for your care.

At Austin Regional Clinic it is our standard that we support our partners and take care of each other's patients. I have complete trust that my colleagues at ARC Quarry Lake are more than happy to welcome you to their practice and will take excellent care of your needs. **I recommend the following internal medicine and family medicine doctors at ARC Quarry Lake:**

- Durreshahwar K. Khan, MD
(Internal Medicine)
- Victoria I. Chen, DO
(Family Medicine)
- Kumari K. Godigamuwa, MD
(Family Medicine)

Please notify your insurance company of your new primary care physician (PCP) if your insurance plan is a commercial HMO, Medicare Advantage HMO or PPO, or you have a plan that requires you to inform them of a change in PCP.

For your convenience, you can schedule your next appointment in the following ways:

- Schedule directly at **MyChartARC.com** if you have an ARC MyChart account.
- Book an appointment online at **ARCbooknow.com**.
- Call ARC Quarry Lake at 512-338-8388, anytime **24/7** and press "1" to speak to a scheduler.

If you would like help choosing a new doctor, please call our referral line at **512-ARC-INFO (512-272-4636)**. You can also read about our doctors at **AustinRegionalClinic.com/find-a-doctor**.

I apologize for any inconvenience that my departure may cause you and I appreciate your understanding. Thank you for placing your trust in me as your doctor, and I wish you continued good health.

Sincerely,

Manshi Valluri Mallepogu, MD | Department of Internal Medicine
