

August 23, 2024

Dear Patient,

I hope this letter finds you in good health. I am writing to inform you of an upcoming change which may affect your health care. Starting September 13th, 2024, I will no longer see patients at ARC Four Points but will continue seeing patients at my other location, ARC Round Rock, located at 940 Hesters Crossing Road, Round Rock, TX 78681.

- **Friday, September 6th, 2024**, will be my last day seeing patients at ARC Four Points.

It is very important to me that your health care is not interrupted by this transition and that you maintain continuous care. Our electronic medical record system ensures that both my notes and your medical records are accessible from any Austin Regional Clinic (ARC) location.

If it is convenient, I will be happy to continue your care at ARC Round Rock. However, you will still be able to get your allergy shots at ARC Four Points.

For your convenience, you can schedule your next appointment with me by calling **ARC Round Rock** at **512-244-9024** and pressing **"1"** to speak with a scheduler, Mon - Fri, 8:00am - 5:00pm.

If you do not plan to continue seeing me at my ARC Round Rock location, I am confident that my allergy and asthma colleague, **Dr. Hetu Y. Parekh**, would be happy to welcome you into his practice at ARC Four Points.

If you would like additional help, please call **512-ARC-INFO (512-272-4636)** and press **"6"** or visit **ARCallergy.com** to learn more about our allergy department.

I am truly grateful to you for entrusting me with your health and I look forward to seeing you at my ARC Round Rock location.

Sincerely,

Colleen S. Adkins, MD | Allergy and Asthma Department
