

January 09, 2024

Dear Patient,

I hope this letter finds you in good health. I am writing to inform you of an upcoming change which may affect your health care. After much thought and consideration, I have decided to transition from my regular practice at ARCCenter Street to an ARC hospital-based delivery-only practice, which means I will no longer see patients in the clinic.

- **Wednesday, January 10, 2024 will be my last day seeing patients at ARC Center Street.**

Please disregard this letter if you are not a regular patient of mine, your care at ARC will not change.

It is very important to me as well as to ARC that you maintain continuous health care. ARC's electronic medical record system allows your medical records to be accessible from any ARC location and ensures that all my notes and all your medical records will be available for your future care.

At ARC it is our standard that we support our partners and take care of each other's patients. I have complete trust that my colleagues will be more than happy to welcome you to their practice and take excellent care of your needs. **I recommend the following ARC Ob/Gyn doctors and advanced practice clinicians (APCs) at ARC Center Street:**

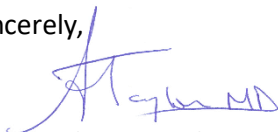

- Hannah L. Chacon, MD
- Shao-Chun Rose Chang-Jackson, MD, FACOG
- Christopher S. Cowden, MD, MPH
- Gabriella G. Gloria, APRN, MSN, CNP
- Jonathan C. Saperstein, MD
- Candice R. Shipp, APRN, MSN, WHNP-BC, IBCLC

Next Steps:

- ☐ **Schedule your next appointment** in any one of the following ways:
 - Sign in to **ARC MyChart** if you already have an ARC MyChart account, and choose the Ob/Gyn tile to schedule most gynecology appointments online.
 - Visit [ARCobgyn.com](https://arcobgyn.com) and click **HELP ME BOOK** to request an appointment for your annual exam.

- ☐ Call **512-ARC-INFO** and press **"6"** for guidance on choosing a new doctor, or you can also read about our Ob/Gyn physicians and APCs at [ARCobgyn.com](https://arcobgyn.com).

I am truly grateful to you for entrusting me with your health and allowing me to be your doctor.

Sincerely,
