

December 20, 2023

Dear Patient,

I hope this letter finds you in good health. I am writing to inform you of an upcoming change which may affect your health care. After much thought and consideration, I have decided to move out of state and therefore will be leaving my practice at Austin Regional Clinic (ARC). If you received my previous communication late last year regarding my departure from ARC, please disregard the previously mentioned departure date as I continued to work intermittently at ARC on an as needed basis. My departure date has changed and I will now be departing ARC at the date listed below. This was a difficult decision for me and comes with mixed emotions since ARC quickly became my professional home and I will always cherish the relationships I built with my colleagues and patients.

- **Friday, December 29, 2023 will be my last day seeing patients at ARC Southwest.**

Please disregard this letter if you are not a regular patient of mine, your care at ARC will not change.

It is very important to me as well as Austin Regional Clinic that you maintain continuous health care. ARC's electronic medical record system allows your records to be accessed from any ARC location, and ensures that both my notes and your medical records will be available for your future care.

At ARC it is our standard that we support our partners and take care of each other's patients. I have complete trust that my colleagues will be more than happy to welcome you to their practice and will take excellent care of your health. I recommend the following **family medicine (FM)** and **internal medicine (IM)** physicians and advanced practice clinicians (APCs) at the following ARC locations:

ARC Southwest

- Erin R. Burge, MSN, RN, FNP-C (FM)
- Aleida Fernandez-Rubio, PA-C, MPAS (FM)
- Karen J. Romero, DO (FM)

ARC Bee Cave

- Robert R. Enloe, DO (IM)
- James H. Wang, MD (FM)

ARC South 1st

- Marina Sanchez-Ellig, MD (FM)

Next Steps:
