

January 3, 2023

Dear Patient,

I hope this letter finds you in good health. I am writing to inform you of an upcoming change which may affect your health care. After much thought and consideration, I have decided to transition from my regular practice at ARC Cedar Park and begin working as an intermittent doctor at our ARC After Hours locations.

- **Monday, January 30, 2023 will be my last day seeing patients at ARC Cedar Park Building C.**

Please disregard this letter if you are not a regular patient of mine, your care at ARC will not change.

It is very important to me as well as to ARC that you maintain continuous health care. Austin Regional Clinic's electronic medical record system allows your medical records to be accessible from any ARC location and ensures that all my notes and all your medical records will be available for your future care.

At Austin Regional Clinic it is our standard that we support our partners and take care of each other's patients. I have complete trust that my colleagues will be more than happy to welcome you to their practice and take excellent care of your needs. **I recommend the following family medicine (FM) and internal medicine (IM) doctors at ARC Cedar Park Building C:**

Harrel Dee Butler, MD (FM)

Sarah J. Ferrero, MD (FM)

Cameron D. Poage, MD (IM)

Meghana G. Danderkar, MD (FM)

Bryan (Keith) Morrison, MD (FM)

Aswini R. Rajan, MD (IM)

Eric M. Hughes, MD (FM)

Victoria K. Gaca, MD (IM)
