Dear Patient,

I hope this letter finds you in good health. I am writing to inform you that **Bruce M. Doxey, MD has left Austin Regional Clinic (ARC) for personal health reasons.**

- **Thursday, August 6, 2026, was his last day at ARC.**

It is very important to us that you maintain continuous health care. ARC's electronic medical record system allows your records to be accessed from any ARC location and ensures that both Dr. Doxey's notes, and all your medical records will be available for your future care.

At ARC it is our standard that we support our partners and take care of each other's patients. We have complete trust and confidence that Dr. Doxey's colleagues are more than happy to welcome you to their practice and will take excellent care of your health. **We recommend the following internal medicine (IM) and family medicine (FM) physicians and advanced practice clinicians (APCs) at ARC Far West, ARC Quarry Lake, ARC Four Points, and ARC Anderson Mill:**
