Dear Patient,

I hope this letter finds you and your family in good health. I am writing to inform you of an upcoming change which may affect your health care. After much thought and careful consideration, I have decided to move out of state with my family and therefore will be leaving my practice at Austin Regional Clinic. This comes with mixed emotions since ARC quickly became my professional home.

- **Friday, September 15, 2023 will be my last day seeing patients at ARC Center Street.**

Please disregard this letter if you are not a regular patient of mine, your care at ARC will not change.

It is very important to me as well as ARC that you maintain continuous health care. Our electronic medical record system allows your records to be accessed from any ARC location and ensures that all my notes and all your medical records will be available for your future care.

At Austin Regional Clinic it is our standard that we support our partners and take care of each other’s patients. I have complete trust that my colleagues are more than happy to welcome you to their practice and will take excellent care of your health. **I recommend the following family medicine (FM) and internal medicine (IM) providers at ARC Buda, ARC Center Street, and ARC Kyle Plum Creek:**

ARC Buda

- Vincenz L. DeCastro, DO (FM)

ARC Center Street

- Brian Benjamin, MD (FM)
