

October 26, 2022

Dear Patient,

I hope this letter finds you in good health. I am writing to inform you of some upcoming changes to my practice which may affect your health care. As you may be aware, I stopped seeing patients at ARC Dripping Springs on August 19 when I went out on maternity leave. I expect to return to seeing patients with ARC on November 14, 2022, but will change locations to ARC South 1st, located at 3828 South 1st Street, Austin, TX 78704.

- **Friday, August 19, 2022** was my last day seeing patients at ARC Dripping Springs.
- **Monday, November 14, 2022** I start seeing patients at ARC South 1st.

However, after much thought and careful consideration, my family and I will be moving out of state in January 2023. This comes with mixed emotions since Austin Regional Clinic quickly became my professional home.

- **Friday, January 13, 2023 will be my last day seeing patients at Austin Regional Clinic.**

Please disregard this letter if you are not a regular patient of mine, your care at ARC will not change.

It is very important to me as well as to ARC that you maintain continuous health care. Austin Regional Clinic's electronic medical record system allows your medical records to be accessible from any ARC location and ensures that all my notes and all your medical records will be available for your future care.

I would be delighted if you continued your care with me at ARC South 1st before my move next year, but I understand if you would like to stay at ARC Dripping Springs. I have complete trust that my family medicine colleagues will take excellent care of your health. Below are the providers I recommend at **ARC Dripping Springs**:

- **Cameron M. Kielhorn, DO**
- **Marina Sanchez-Ellig, MD**

For your convenience, you can schedule your next appointment with me or any ARC provider in one of the following ways:

- Schedule directly at MyChartARC.com or on the ARC MyChart app, if you have an ARC MyChart account.
- Book an appointment online at ARCAppointments.com.
- Call **ARC South 1st** at **512-443-1311** or **ARC Dripping Springs** at **512-829-9118**, anytime **24/7** and press "1."

If you would like additional help choosing a new doctor, please call our referral line at **512-ARC-INFO (512-272-4636)**. You can also read about all of our doctors at AustinRegionalClinic.com/find-a-doctor.

I am truly grateful to you for entrusting me with your health and allowing me to be your doctor.

Sincerely,

Crystal A. Steed, DO | Department of Family Medicine
