

# AUSTIN REGIONAL CLINIC

Accessible • Reliable • Convenient

January 12, 2026

Dear Patient,

I hope this letter finds you in good health. I am writing to inform you of an upcoming change which may affect your health care. After much thought and consideration, I have decided to transition my career outside of Austin Regional Clinic (ARC) to pursue other career opportunities.

- **Friday, February 27, 2026, will be my last day seeing patients at Austin Regional Clinic.**

Please disregard this letter if you are not a regular patient of mine, your care at ARC will not change.

It is very important to me as well as ARC that you maintain continuous health care. ARC's electronic medical record system allows your records to be accessed from any ARC location and ensures that both my notes and your medical records will be available for your future care.

At ARC it is our standard that we support our partners and take care of each other's patients. I have complete trust that my colleagues are more than happy to welcome you to their practice and will take excellent care of your health. **I recommend the following orthopedic doctors and advanced practice clinicians (APCs) at these ARC locations:**

- **Michael A. Andreo, MD** – ARC Medical Park Tower Orthopedics
- **Victoria R. DeMichel, PA-C** – ARC Cedar Park Bldg B, ARC Medical Park Tower Orthopedics, ARC Greenlawn Specialty
- **Erin F. Dunlap, MD** – ARC Medical Park Tower Orthopedics, ARC South 1st, ARC Southwest
- **McKenzie E. Lavengco, PA-C** – ARC Medical Park Tower Orthopedics, ARC South 1st, ARC Southwest

#### **Next Steps:**

  - Schedule directly at [MyChartARC.com](http://MyChartARC.com), or on the MyChart app if you have an ARC MyChart account.

I am truly grateful to you for entrusting me with your health and allowing me to be your doctor.
