

March 17, 2026

Dear Patient,

We are writing to inform you of an upcoming change which may affect your health care. We are excited to announce that we are relocating our dermatology and medical aesthetics practices to a brand new Austin Regional Clinic (ARC) location and rebranding ARC Medical Aesthetics to OLINO Medical Aesthetics.

ARC Dermatology & Medical Aesthetics is moving to ARC South Specialty

On April 20, 2026, ARC Dermatology and Medical Aesthetics will relocate to our new ARC South Specialty clinic, located at 708 W. Ben White Blvd, Suites 200 & 210, Austin, TX 78704.

Each practice will have its own dedicated entrance and lobby on the second floor with ARC Dermatology located in suite 210 and Medical Aesthetics located in suite 200.

Friday, April 17, 2026, will be our last day seeing patients at our current ARC Southwest location.

Introducing OLINO Medical Aesthetics by ARC

ARC Medical Aesthetics will officially become OLINO Medical Aesthetics when we relocate to our new space. Like the line of skin care products, OLINO Skin Care, the name is inspired by the Hawaiian word *ōlino*, meaning “to shine brightly” or “to shine with splendor.”

While we have a new name and look, OLINO Medical Aesthetics remains a part of ARC and will be located directly adjacent to our ARC Dermatology practice on the second floor of our new location. We will also have a NEW dedicated phone number: **737-ARC-LINO (737-272-5466)**.

Together with customized care plans, science, and you, we aim to keep your naturally beautiful skin radiant and bright.

Check your appointment reminders for updated information

If this move affects any appointments that are already scheduled, you will receive communication via email, text, or phone. Please check your reminders before any upcoming appointments to make sure you travel to the correct location.
