Dear Patient,

I hope this letter finds you in good health. After much thought and careful consideration, **Durreshahwar K. Khan, MD** decided to move out of Austin and therefore will no longer see patients at Austin Regional Clinic (ARC). Dr. Khan was a same-day care doctor at ARC and her last day was **Thursday, July 31, 2025**.

Our records indicate that you had a visit with Dr. Khan sometime in the last two years and we want you to know her departure will not impact or change your regular care at ARC. Per Texas Medical Board rules, we are required to inform you of Dr. Khan's departure from ARC.

It is very important to us that you maintain continuous health care. Your medical records from any visit with Dr. Khan will remain at Austin Regional Clinic. ARC's electronic medical record system allows your records to be accessed from any ARC location and ensures that all notes and all your medical records will be available for your future care.

We thank you for being a patient at Austin Regional Clinic and wish you good health.

Sincerely,

Manish M. Naik, MD

ARC Chief Medical Officer, Chief Medical Information Officer
