Dear Patient,

We are writing to inform you of an upcoming change which may affect your health care. We are excited to announce that we are relocating our ARC Southwest practice to our newest clinic location, ARC South Specialty, located at 708 West Ben White Boulevard, Suite 150, Austin, TX 78704.

- **Friday, April 24, 2026**, will be our last day seeing patients at ARC Southwest.
- **Monday, April 27, 2026**, will be our first day seeing patients at ARC South Specialty.

It is very important to us that your health care is not interrupted by this relocation and that you maintain continuous care. Our electronic medical record system ensures that both our notes and your medical records are accessible from any ARC location.

We would be delighted for you to continue your care with us at our new location but if you prefer to stay at ARC Southwest, our colleague McKenzie Lavengco, PA-C will be happy to take care of your orthopedic needs and will take excellent care of your health.

For your convenience, you can schedule your next orthopedic appointment directly at MyChartARC.com or on the ARC MyChart app, if you have an ARC MyChart account, or by calling **512-ARC-INFO** (512-272-4636) and pressing “1” to speak with a scheduler, Mon - Fri, 8:00am - 5:00pm.

If you would like additional help, please call **512-ARC-INFO** (512-272-4636) and press “6” to speak with a customer service representative.

We are truly grateful to you for entrusting us with your health and hope to see you at our new ARC South Specialty location.

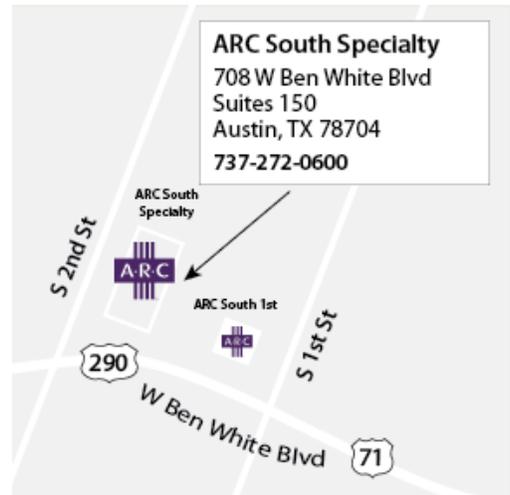

Sincerely,

Erin F. Dunlap, MD
