AUSTIN REGIONAL CLINIC

Accessible • Reliable • Convenient

November 24, 2026

Dear Patient,

I hope this letter finds you in good health. I am writing to inform you of an upcoming change which may affect your health care. My practice has recently transitioned to **seeing patients *only* at my ARC South Specialty location** located at 708 West Ben White Boulevard, Suite 220, Austin, TX 78704.

- **Monday, November 16, 2026,** was my last day seeing patients at ARC Northwest Hills Specialty.
- **Tuesday, November 17, 2026,** was my first day only seeing patients at ARC South Specialty.

It is very important to me that your health care is not interrupted by this transition. Our electronic medical record system allows your records to be accessed from any ARC location and ensures that both my notes and your medical records will be available for your future care.

At ARC, it is our standard that we support our partners and take care of each other's patients. I hope to see you at my ARC South Specialty location, but if you choose to remain in the north area, my colleagues are more than happy to welcome you to their practice and will take excellent care of your health. **I recommend the following cardiology doctors and advanced practice clinicians (APCs) at the following ARC locations:**

- **James N. Black, MD, FACC** – ARC Northwest Hills Specialty
- **Jessica L. Darnutzer, MSN, APRN, FNP-C** – ARC Northwest Hills Specialty, ARC Quarry Lake, ARC Round Rock
- **Parul M. Desai, MD** – ARC Northwest Hills Specialty, ARC Quarry Lake, ARC Round Rock
- **Francisco J. Diaz Viera, MD** – ARC Northwest Hills Specialty
