

August 20, 2026

Dear Patient,

I hope this letter finds you in good health. After much thought and consideration, I have decided to move out of the Austin area and therefore will no longer be able to see patients at Austin Regional Clinic (ARC).

- **Saturday, October 3, 2026** will be my last day seeing patients at ARC Kyle Plum Creek.

Our records indicate that you had a same day care visit with me sometime in the last two years and we want you to know that my departure will not impact or change your regular doctor and care at ARC.

It is very important to me that you maintain continuous health care. Your medical records from your visits with me will remain at Austin Regional Clinic. ARC's electronic medical record system allows your records to be accessed from any ARC location and ensures that both my notes and all your medical records will be available for your continued care.

Thank you for entrusting me with your health and allowing me to care for you.

Sincerely,

Gay Lynne Carson, APRN, MSN, FNP-C
