

December 01, 2023

Dear Patient,

I hope this letter finds you in good health. After much thought and consideration, I have decided to relocate my practice from ARC Seton Northwest to ARC Far West Medical Tower, located at 6811 Austin Center Boulevard, Suite 300, Austin, TX 78731.

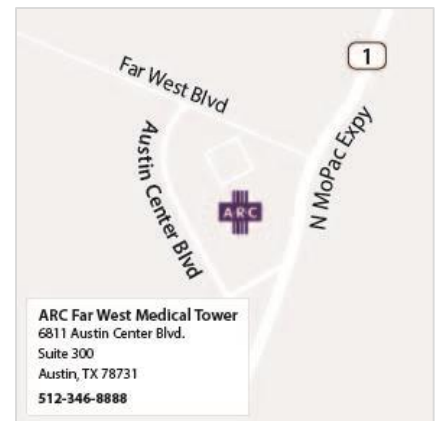

- **Friday, December 29, 2023, will be my last day seeing patients at ARC Seton Northwest.**
- **Tuesday, January 2, 2024, will be my first day seeing patients at ARC Far West Medical Tower.**

It is very important to me that your health care is not interrupted by this transition. Austin Regional Clinic's electronic medical record system allows your medical records to be accessible from any ARC location and ensures that all my notes and all your medical records will be available for your care.

I would be delighted for you to continue your care with me at ARC Far West Medical Tower. For your convenience, you can schedule your next appointment with me in any of the following ways:

- Sign in to **ARC MyChart** if you already have an ARC MyChart account, and choose the Ob/Gyn tile to schedule most gynecology appointments online.
- Visit ARCobgyn.com and click **HELP ME BOOK** to request an appointment for your annual exam.
- Call **512-ARC-INFO (512-272-4636)**, and press "1" to speak with a scheduler, Mon - Fri, 8:00am - 5:00pm.

If you would like help choosing a new ARC Gynecologist, call **512-ARC-INFO** and press "6," or you can also read about our gynecology physicians at **ARCobgyn.com**.

I am truly grateful to you for entrusting me with your health and I hope to see you at my new **ARC Far West Medical Tower** location.

Sincerely,

Guy V. Blumhagen, MD
