Dear Patient,

I hope this letter finds you in good health. I am writing to inform you of an upcoming change which may affect your health care. After much thought and careful consideration, I have decided to transition my career outside of Austin Regional Clinic (ARC) to pursue other career opportunities.

- **Friday, June 07, 2024, will be my last day seeing patients** at ARC Cedar Park Building B, ARC Medical Park Tower Orthopedics, and ARC Round Rock.

Please disregard this letter if you are not a regular patient of mine, your care at ARC will not change.

It is very important to me as well as ARC that you maintain continuous health care. ARC’s electronic medical record system allows your records to be accessed from any ARC location and ensures that both my notes and your medical records will be available for your future care.

At ARC it is our standard that we support our partners and take care of each other’s patients. My supervising physician, **David H. Michel, MD**, remains with ARC and will continue to see you for your hip or knee issues.

For your convenience, you can schedule your next appointment with Dr. Michel, at any of his three ARC locations listed below, by calling **ARC Medical Park Tower Orthopedics** at **512-454-4561** and pressing “1” to speak with a scheduler, Monday - Friday, 8:00am - 5:00pm.

- **ARC Cedar Park, Building B**
- **ARC Medical Park Tower Ortho**
- **ARC Round Rock**

If you would like any additional help, please call **512-ARC-INFO (512-272-4636)** and press “6” or visit ARCOrthopedics.com to learn more about our orthopedics department.

I am truly grateful to you for entrusting me with your health and allowing me to care for you.

Sincerely,

Amy E. Hutchison, PA
