

AUSTIN REGIONAL CLINIC

Accessible • Reliable • Convenient

January 26, 2026

Dear Patient,

I hope this letter finds you in good health. I am writing to inform you of an upcoming change which may affect your health care. After much thought and consideration, I have decided to relocate my practice from ARC Quarry Lake to ARC Four Points, located at 11714 Wilson Parke Avenue, Suite 150, Austin, TX 78726.

- **Wednesday, February 25, 2026**, will be my last day seeing patients at ARC Quarry Lake.
- **Monday, March 2, 2026**, will be my first day seeing patients at ARC Four Points.

It is very important to me that your health care is not interrupted by this transition and that you maintain continuous care. I would be delighted for you to continue your care with me at my new ARC Four Points location but understand if you prefer to stay at ARC Quarry Lake.

At ARC, it is our standard that we support our partners and take care of each other's patients. Our electronic medical record system ensures that both my notes and your medical records are accessible at any ARC location. If you prefer to stay at ARC Quarry Lake, **I recommend the following family medicine (FM) and internal medicine (IM) physicians:**

- Victoria I. Chen, DO (FM)
- Sukanya Burugu, MD (IM)
- Rhett J. Orgeron, MD (IM)
- Prakash Eapen, MD (IM—starting in Feb)

For your convenience, you can schedule your next appointment with me or any other provider by visiting ARCfamilymedicine.com and clicking BOOK NOW or calling **512-ARC-INFO** (512-272-4636) and pressing “1” to speak with a scheduler, anytime 24/7.

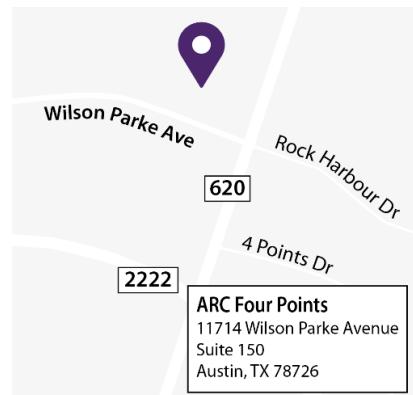

If you would like additional help, please call **512-ARC-INFO** (512-272-4636) and press “6” to speak with a customer service representative.

I am truly grateful to you for entrusting me with your health care and I hope to see you at my new ARC Four Points location.

Sincerely,

James (Jim) R. Merryman, DO
