

May 14, 2025

Dear Patient,

I hope this letter finds you in good health. After much thought and careful consideration, I have decided to transition my career outside of Austin Regional Clinic (ARC) to pursue other opportunities. I have been an on-call doctor at ARC for the past three years and my last day will be **Wednesday, June 11, 2025**.

Our records indicate that you had an urgent care visit with me sometime in the last two years and I want you to know that my departure will not impact or change your regular care at ARC.

It is very important to me that you maintain continuous health care. Your medical records from any visits with me will remain at Austin Regional Clinic. ARC's electronic medical record system allows your records to be accessed from any ARC location and ensures that all notes and all your medical records will be available for your future care.

Thank you for entrusting me with your health and allowing me to care for you.

Sincerely,

Kia M. Ousley, MD
