

April 14, 2026

Dear Parent or Guardian,

I hope this letter finds you and your family in good health. I am writing to inform you of an upcoming change which may affect your child’s health care. After much thought and consideration, I have decided to move out of Austin and therefore will no longer see patients at Austin Regional Clinic (ARC). This comes with mixed emotions since ARC quickly became my professional home.

- **Friday, May 29, 2026**, will be my last day seeing patients at ARC Georgetown.

Please disregard this letter if your child is not a regular patient of mine, their care at ARC will not change.

It is very important to me as well as ARC that your child maintains continuous health care. ARC’s electronic medical record system allows their records to be accessed from any ARC location and ensures that both my notes and your child’s medical records will be available for their future care.

At ARC it is our standard that we support our partners and take care of each other’s patients. I have complete trust that my colleagues are more than happy to welcome your child to their practice and will take excellent care of their health. I recommend the following pediatricians at these **ARC locations**:

ARC Georgetown

- Betsy M. Kadapuram, DO

ARC Hutto

- Violeta V. Griffin, MD
- Racquel A. Sanchez, MD, FAAP

ARC Liberty Hill

- Elizabeth C. N. Winful-Acquaye, MD

If your child’s insurance plan requires that you inform them of a change in primary care provider, please contact your child’s insurance company to notify them who you choose so that their health care is not interrupted.

For your convenience, you can schedule an appointment for your child in the following ways:

- Schedule directly at **MyChartARC.com** if you have proxy access to your child’s ARC MyChart account.
- Click **BOOK NOW** at **Pediatrics.ARC.clinic** or on any ARC pediatric doctor or advance practice clinician (APC) website bio page.
- Call **512-ARC-INFO** (512-272-4636), and press “1” to speak with a scheduler, anytime 24/7.

If you would like any additional help choosing a new pediatrician, please call our referral line at **512-ARC-INFO** (512-272-4636) and press “6,” or visit **Pediatrics.ARC.clinic** to read about all our pediatricians.

I am truly grateful to you for entrusting me with your child’s health and allowing me to be their doctor.

Sincerely,

Kofoworola (Kofo) Ohiomoba, MD
