Dear Parent/Guardian,

I hope this letter finds you and your family in good health. I am writing to inform you of an upcoming change which may affect your child's health care. After much thought and consideration, I have decided to leave my practice at Austin Regional Clinic (ARC) to pursue an inpatient career opportunity. This decision comes with mixed emotions since ARC quickly became my professional home and my patients are a big part of that.

- **Friday, January 30, 2026 will be my last day seeing patients at ARC Liberty Hill.**

Please disregard this letter if your child is not a regular patient of mine, their care at ARC will not change.

It is very important to me as well as ARC that your child maintains continuous health care. ARC's electronic medical record system allows your child's records to be accessed from any ARC location and ensures that both my notes and your child's medical records will be available for their future care.

At ARC it is our standard that we support our partners and take care of each other's patients. I have complete trust that my colleagues are more than happy to welcome your child to their practice and will take excellent care of their health. I recommend the following pediatricians at **ARC Liberty Hill, ARC Cedar Park Building C, and ARC Georgetown:**

ARC Liberty Hill

- Elizabeth C.N. Winful – Acquaye, MD

ARC Georgetown

- Betsy M. Kadapuram, DO
- Kofoworola Ohiomoba, MD

ARC Cedar Park Building C

- Abiola O. Badipe, MD, FAAP, IBCLC
- Cecilia L. Hipolito, MD
- Charuben C. Pandya, MD
- Christine N. Hoang, MD
- Keerti K. Peterson, MD
- Sithara Vemuri, MD
- Menaka Mahadevan, MD
