

July 31, 2026

Dear Patient,

I hope this letter finds you in good health. I am writing to inform you of an upcoming change which may affect your health care. After much thought and consideration, I have decided to transition my career outside of Austin Regional Clinic (ARC). This decision comes with mixed emotions since ARC has been my professional home and my patients are a big part of that.

- **Friday, September 18, 2026**, will be my last day seeing patients at ARC Medical Plaza Specialty.

It is very important to me as well as Austin Regional Clinic that you maintain continuous health care. ARC's electronic medical record system allows your records to be accessed from any ARC location and ensures that all my notes and all your medical records will be available for your future care.

At ARC it is our standard that we support our partners and take care of each other's patients. My supervising physicians, **Christopher W. Bailey, MD, FACS, Marco Vinicio Medina-Zea, MD, FACS, FASMBS, and Arielle C. DuBose, MD, FACS, FASCRS**, will continue to see you for your general surgery needs.

For your convenience, you can schedule your next appointment with any of these surgeons, at any of their ARC locations listed below, by calling **512-ARC-INFO (512-272-4636)** and pressing "1" to speak with a scheduler, Monday - Friday, 8:00am - 5:00pm.

- **ARC Medical Plaza Specialty**
- **ARC Greenlawn Specialty**

If you would like any additional help, please call **512-ARC-INFO** and press "6" or visit **GeneralSurgery.ARC.clinic** to learn more about our general surgery department.

I am truly grateful to you for entrusting me with your health.

Sincerely,

Laurel D. Sunde, APRN, FNP-C, RNFA
