Dear Patient,

I hope this letter finds you in good health. I am writing to inform you of a recent change which may affect your health care. After careful consideration, I have decided to relocate my practice from ARC Center Street in Kyle to ARC Hutto, located at 151 Exchange Blvd., Ste. 500, Hutto, TX 78634.

- **Wednesday, July 12, 2022**, was my last day seeing patients at ARC Center Street.
- **Thursday, July 13, 2023**, was my first day seeing patients at ARC Hutto.

It is very important to me that your health care is not interrupted by this transition. Austin Regional Clinic electronic medical record system ensures that all your medical records will continue to be accessible from every ARC location.

At ARC it is our standard that we support our partners and take care of each other's patients. If you choose to stay at ARC Center Street, I have complete trust that my colleagues are more than happy to welcome you to their practice and will take excellent care of your health. I recommend the following dermatology providers at **ARC Center Street**.

- **Kathryn C. Siems, MS, PA-C**
- **Charlotte E. Wright, MSN, FNP**

For your convenience, you can schedule your next dermatology appointment in the following ways:

- At **MyChartARC.com** or on the ARC MyChart app, if you have an ARC MyChart account.
