

June 1, 2023

Dear Patient,

I hope this letter finds you in good health. I am writing to inform you of an upcoming change which may affect your health care. After much thought and careful consideration, **Samuel E. (Rhett) Long, III, MD, FACS**, General Surgery at ARC South 1st Specialty has decided to leave ARC in order to pursue his dream of working as an Assistant Professor of Surgery and Perioperative Care at the University of Texas at Austin Dell Medical School.

Friday, July 14, 2023, will be Dr. Long's last day seeing patients at Austin Regional Clinic.

Please disregard this letter if you are not a regular patient of Dr. Long, your care at ARC will not change.

It is very important that you maintain continuous health care. Please be assured that Dr. Long's fellow General Surgery physicians and all the providers at Austin Regional Clinic will be available to treat you as needed. ARC's electronic medical record system allows your records to be accessed from any ARC location, and ensures that all Dr. Long's notes and all your medical records will be available for your future care.

Our General Surgery colleagues are more than happy to welcome you to their practice and will take excellent care of your health. **I recommend the following General Surgeons at ARC:**
