

February 23, 2026

Dear Patient,

I hope this letter finds you in good health. I am writing to inform you of an upcoming change which may affect your health care. After much thought and consideration, I have decided to relocate my practice from ARC Far West to ARC Southwest, located at 1807 West Slaughter Lane, Suite 490, Austin, TX 78748.

- **April 30, 2026**, will be my last day seeing patients at ARC Far West.
- **May 4, 2026**, will be my first day seeing patients at ARC Southwest.

It is very important to me that your health care is not interrupted by this transition and that you maintain continuous care. I would be delighted for you to continue your care with me at my new ARC Southwest location but understand if you prefer to stay at ARC Far West.

At ARC, it is our standard that we support our partners and take care of each other's patients. Our electronic medical record system ensures that both my notes and your medical records are accessible at any ARC location.
