

April 6, 2026

Dear Patient,

I hope this letter finds you in good health. I am writing to inform you of an upcoming change which may affect your health care. After 17 years at Austin Regional Clinic (ARC), and with much thought and consideration, I have decided to retire from my regular practice at ARC Dripping Springs and transition to only working after hours and same-day care treating urgent conditions, as needed, to help my ARC colleagues.

- **Monday, June 15, 2026**, will be my last day seeing patients at ARC Dripping Springs.

Please disregard this letter if you are not a regular patient of mine, your care at ARC will not change.

It is very important to me as well as ARC that you maintain continuous health care. ARC's electronic medical record system allows your medical records to be accessible from any ARC location and ensures that all my notes and all your medical records will be available for your future care.

At ARC it is our standard that we support our partners and take care of each other's patients. I have complete trust that my colleagues will be more than happy to welcome you to their practice and take excellent care of your healthcare needs. **I recommend the following family medicine (FM) and internal medicine (IM) physicians and advanced practice clinician (APC) at these ARC locations:**

ARC Dripping Springs

- Kaitlin Gastinger, APRN, FNP-BC (FM)
- Karen J. Romero, DO (FM, starting in July)

ARC Bee Cave

- Robert R. Enloe, DO (IM)
- Seema Gupta, MD (IM)
- Mark A. Nugent, MD (FM)

- Yezen A. Jarrar, MD (FM)
