

December 20, 2022

Dear Parent or Guardian,

I hope this letter finds you and your family in good health. I am writing to inform you of an upcoming change which may affect your child's health care. After careful consideration, I have decided to transition my career outside of Austin Regional Clinic for personal reasons. This comes with mixed emotions as it has truly been an honor to be a part of your family's lives.

- **Friday, January 27, 2023 will be my last day seeing patients at ARC Sendero Springs. With my departure, ARC Sendero Springs will temporarily discontinue pediatric services at their location.**

Please disregard this letter if your child is not a regular patient of mine, their care at ARC will not change.

It is very important to me as well as Austin Regional Clinic that your child maintains continuous health care. ARC's electronic medical record system allows their records to be accessed from any ARC location, and ensures that all my notes and all their medical records will be available for their future care.

At Austin Regional Clinic it is our standard that we support our partners and take care of each other's patients. I have complete trust that my colleagues are more than happy to welcome your child to their practice and will take excellent care of their health. I recommend the following pediatricians at **ARC Cedar Park** and **ARC Round Rock**.

ARC Cedar Park Building C (512-259-3467)

- Menaka Mahadevan, MD
- Grace C. Yu, MD, FAAP

ARC Round Rock (512-244-9024)

- Sravya Reddy, MD

If your child needs care for mental or behavioral health conditions, **James C. Anderson, IV, MD**, ARC Pediatrician, and his Physician Assistant, **Shaelyn M. Gibson, PA**, are located at **ARC Far West (6835 Austin Center Blvd, Austin, TX 78731)**. Their practice focuses on working with patients and their families to help maximize emotional, psychological, developmental, and academic potential.

If your child's insurance plan requires that you inform them of a change in your child's pediatrician, please contact your insurance company to notify them who you choose so that your child's health care is not interrupted.

For your convenience, you can schedule an appointment for your child in the following ways:

- Schedule directly at **MyChartARC.com** if your child has an ARC MyChart account.
- Book an appointment online at **ARCappointments.com**.
- Call ARC Cedar Park Building C at **512-259-3467**, ARC Round Rock at **512-244-9024**, or ARC Far West at **512-346-6611**, anytime **24/7** and press **"1"** to speak to a scheduler.

If you would like any additional help choosing a new pediatrician, please call our referral line at **512-ARC-INFO (512-272-4636)**. You can also read about all of our doctors at **AustinRegionalClinic.com/find-a-doctor**.
