Dear Patient,

I hope this letter finds you in good health. I am writing to inform you of an upcoming change which may affect your health care. After much thought and careful consideration, I have decided to move to Dallas to be closer to my family. This comes with mixed emotions since Austin Regional Clinic quickly became my professional home.

- **Friday, January 13, 2023 will be my last day seeing patients at ARC Northwest Hills Specialty.**

Please disregard this letter if you are not a regular patient of mine, your care at ARC will not change.

It is very important to me as well as Austin Regional Clinic that you maintain continuous health care. ARC's electronic medical record system allows your records to be accessed from any ARC location, and ensures that all my notes and all your medical records will be available for your future care.

At ARC it is our standard that we support our partners and take care of each other's patients. My colleagues will be more than happy to see you for your gastrointestinal needs and take excellent care of your health. I recommend the following gastroenterologists at **ARC Northwest Hills Specialty**:

- **Yasir Al-Abboodi, MD**
- **Sujaata Dwadasi, MD** (Starting March 2023)
- **Muhannad G. Al Hanayneh, MD**
- **Enrique Spindel, MD**

For your convenience, you can schedule your next gastroenterology appointment with any of these doctors by calling ARC Northwest Hills Specialty at **512-344-0450**, anytime **24/7**, and press **"1"** to speak to a scheduler.

If you would like any additional help choosing a new doctor, please call our referral line at **512-ARC-INFO (512-272-4636)**. You can also read about all of our doctors at **AustinRegionalClinic.com/find-a-doctor**.

I am truly grateful to you for entrusting me with your health and allowing me to be your doctor.

Sincerely,

Neema M. Saraiya, MD
