

September 29, 2023

Dear Patient,

I hope this letter finds you in good health. I am writing to inform you of an upcoming change which may affect your health care. After much thought and careful consideration, I have decided to transition my career to focus on other priorities and therefore will be leaving my practice at Austin Regional Clinic. This comes with mixed emotions since ARC quickly became my professional home.

- **Friday, October 27, 2023 will be my last day** seeing patients at ARC East 7th.

Please disregard this letter if you are not a regular patient of mine, your care at ARC will not change.

It is very important to me, as well as ARC, that you maintain continuous health care. Our electronic medical record system allows your records to be accessed from any ARC location and ensures that both my notes and your medical records will be available for your future care.

At ARC, it is our standard that we support our partners and take care of each other's patients. I have complete trust that my colleagues are more than happy to welcome you to their practice and will take excellent care of your health. **I recommend the family medicine (FM) and internal medicine (IM) providers at the following locations:**

ARC East 7th

- Natalie A. Williams, MD (FM)

ARC Quarry Lake

- Victoria I. Chen, MD (FM)

ARC Far West

- Jesse W. Dunkle, MD, MPH (IM)

ARC South 1st
