

February 24, 2026

Dear Parent/Guardian,

I hope this letter finds you and your family in good health. After much thought and consideration, I have decided to transition my career outside of Austin Regional Clinic (ARC) and will no longer see patients for same day care. My last day at ARC will be **Friday, April 3, 2026**.

Our records indicate that your child had a visit with me sometime in the last two years and I want you to know my departure will not impact or change their regular care at ARC. Per Texas Medical Board rules, I am required to inform you of my departure from ARC.

Your child’s medical records from visits with me will remain at ARC. Our electronic medical record system allows your child’s records to be accessed from any ARC location and ensures that all notes and medical records will be available for their continued care.

It is very important to me that your child maintains continuous health care. For follow-up pediatric care, please continue to schedule appointments with your child’s ARC primary care provider (PCP). If your child doesn’t have an ARC PCP, visit **ARCpediatrics.com** to find a pediatrician or APC near you. If you would like additional help choosing a new pediatrician, please call our referral line at **512-ARC-INFO (512-272-4636)** and press “6.”

Thank you for entrusting me with your child’s health.

Sincerely,

Rebecca Kim, MD, FAAP

Department of Pediatrics | ARC Kyle Plum Creek
