Dear Patient,

I hope this letter finds you and your family in good health. I am writing to inform you of an upcoming change which may affect your child’s health care. After much thought and careful consideration, I have decided to transition my career outside of Austin Regional Clinic (ARC) to focus on other priorities. This was a difficult decision for me since ARC quickly became my professional home and serving your child’s healthcare needs has truly been an honor.

- **Friday, June 14, 2024 will be my last day seeing patients at ARC Round Rock.**

Please disregard this letter if your child is not a regular patient of mine, their care at ARC will not change.

It is very important to me as well as ARC that your child maintains continuous health care. ARC’s electronic medical record system allows your child’s records to be accessed from any ARC location and ensures that both my notes and your child’s medical records will be available for their future care.

At ARC it is our standard that we support our partners and take care of each other’s patients. I have complete trust that my colleagues are more than happy to welcome your child to their practice and will take excellent care of their health.

**I recommend the following pediatricians at ARC Round Rock:**

- Kymberly T. Colman, MD
- Kristi K. Harvey, MD
- Nancy E. Owens, MD
- Alan K. Rashid, MD
- Maria C. Scranton, MD
- Angelyn (Angel) L. Tarrant, MD
- Amy Clark Tomkins, DO
- Alan B. White, MD

If your child’s insurance plan requires that you inform them of a change in their pediatrician, please contact your child’s insurance company to notify them of your choice so that their health care is not interrupted.
