### Sandeep Badyal, MD

#### Family Medicine

*"I chose Family Medicine as a specialty, as it is a complex field and allows me to take care of people of all ages and backgrounds, not limited to just one area of medicine. I believe in being patient-centric, striving to provide continuing medical care for my patients and building meaningful, long-lasting relationships with them."*

### Sarat C. Burri, MD

#### Family Medicine

*"I believe in a holistic approach to patient care – treating a patient as a whole person, including their physical, mental, and emotional health, and considering the family as well. I believe in building a relationship with my patients and their families through creating trust and understanding their concerns."*

### Jacqueline R. Karathra, MD

#### Family Medicine

*"Family Medicine gives me the unique opportunity to get to know my patients well throughout their lives and learn about the unique circumstances that affect their health. I love being able to work together with patients to see the bigger picture of how we can optimize their health so they can more fully enjoy their lives."*

### Harinder P. Kaur, MD

#### Family Medicine

*"I chose family medicine because it aligns with my passion in providing holistic and patient-centered care. I also value the importance of preventive care and health education to avoid potential health issues. It is my priority to create an environment where my patients are respected and feel at ease with me. This promotes open communication and better health outcomes."*
