

August 25, 2026

Dear Patient,

I hope this letter finds you in good health. I am writing to inform you of an upcoming change which may affect your health care. After much thought and consideration, **Sheri L. Valencia, APRN, MSN, FNP-C** decided to transition her career outside of Austin Regional Clinic (ARC) to pursue other personal opportunities.

- **Monday, August 17, 2026**, was Sheri's last day seeing patients at Austin Regional Clinic.

It is very important to ARC that you maintain continuous health care. Our electronic medical record system allows your records to be accessed from any ARC location and ensures that both her notes and your medical records will be available for your future care.

At ARC it is our standard that we support our partners and take care of each other's patients. Sheri's supervising physicians, **Tina C. Bunch, MD** and **Anurekha B. Chadha, MD** remain with ARC and will continue to see you for your rheumatology needs.

For your convenience, you can schedule your next appointment with Dr. Bunch or Dr. Chadha, at **ARC Far West Medical Tower** by calling **512-346-8888** and pressing **"1"** to speak with a scheduler, Monday - Friday, 8:00am - 5:00pm.

I am truly grateful to you for entrusting ARC with your health and allowing us to care for you.

Sincerely,

Manish M. Naik, MD, Internal Medicine
ARC Chief Medical Officer, Chief Medical Information Officer
