

November 03, 2023

Dear Parent or Guardian,

I hope this letter finds you and your family in good health. I am writing to inform you of an upcoming change which may affect your child's health care. After much thought and careful consideration, I have made the decision to move to Florida with my family. This was a difficult decision for me since Austin Regional Clinic quickly became my professional home and serving your child's healthcare needs has been truly an honor.

- **Monday, November 20, 2023 will be my last day seeing patients at ARC Manor.**

Please disregard this letter if your child is not a regular patient of mine, their care at ARC will not change.

It is very important to me as well as ARC that your child maintains continuous health care. ARC's electronic medical record system allows their records to be accessed from any ARC location and ensures that both my notes and your child's medical records will be available for their future care.

At ARC it is our standard that we support our partners and take care of each other's patients, so please rest assured that we will soon have another pediatrician at ARC Manor. In the meantime, I have complete trust that my colleagues at neighboring communities are more than happy to welcome your child to their practice and will take excellent care of their health. **I recommend the following pediatricians at the following locations:**

ARC Pflugerville

- Ramla Ali, MD
- Shaili M. Singh, MD

ARC Hutto

- Violeta V. Griffin, MD
- Amy M. Hunt, DO

ARC Kelly Lane

- Ryan P. Peterson, MD

If your child's insurance plan requires that you inform them of a change in pediatrician, please contact their health insurance company to notify them of who you choose so that their health care is not interrupted.
