

May 30, 2025

Dear Patient,

I hope this letter finds you and your family in good health. I am writing to inform you of an upcoming change which may affect your child's health care. After much thought and careful consideration, I have decided to move out of Austin and therefore will no longer see patients at Austin Regional Clinic (ARC). This comes with mixed emotions since ARC quickly became my professional home.

- **Friday, June 27, 2025, will be my last day seeing patients at ARC Southwest.**

Please disregard this letter if your child is not a regular patient of mine, their care at ARC will not change.

It is very important to me as well as ARC that your child maintains continuous health care. ARC's electronic medical record system allows your child's records to be accessed from any ARC location and ensures that both my notes and your child's medical records will be available for their future care.

At ARC it is our standard that we support our partners and take care of each other's patients. I have complete trust that my colleagues are more than happy to welcome your child to their practice and will take excellent care of their health.

I recommend these pediatricians at the following ARC locations:

ARC Goodnight Ranch

- Debra A. Burbach, MD, FAAP

ARC Dripping Springs

- Ricardo J. Chapa, MD
- Jacqueline F. Fournier, MD

ARC South 1st Specialty and Pediatrics

- Boris A. Gritzka, MD
- Elaine L. Hamilton, MD, FAAP
- Britni C. LeBoeuf, MD, FAAP
- Shirlene J. Samuel, DO

- Nitika Mimani, MD
- Knema P. Rezaei Bazazizad, MD
