

July 11, 2024

Dear Patient,

I hope this letter finds you in good health. I am writing to inform you of an upcoming change which may affect your health care. As of Friday, June 28, 2024, I no longer see patients at ARC Senior Care Pflugerville. I will continue seeing patients at my primary location, ARC Cedar Park Building B for all in-person visits. I am also available for follow-up visits, via telemedicine.

- **Friday, June 28th, 2024**, was my last day seeing patients at ARC Senior Care Pflugerville.
- **Friday, July 5th, 2024**, was my first day seeing patients via telemedicine, for follow-up visits.

It is very important to me that your health care is not interrupted by this transition and that you maintain continuous care. Our electronic medical record system ensures that both my notes and your medical records are accessible from any ARC location.

For your convenience, you can schedule your next cardiology appointment with me by calling **ARC Cedar Park Building B** at **512-259-3467** and pressing "1" to speak with a scheduler, Mon - Fri, 8:00am - 5:00pm.

If you would like additional help, please call **512-ARC-INFO** and press "6" or visit **ARCcardiology.com** to learn more about our cardiology department.

I am truly grateful to you for entrusting me with your health and I look forward to seeing you at my **ARC Cedar Park Building B** location.

Sincerely,

Richard A. Stuebner, MD, FACC | Cardiology Department
