Dear Patient,

I hope this letter finds you in good health. I am writing to inform you of an upcoming change which may affect your health care. After much thought and consideration, I have decided to move out of Austin and therefore will no longer see patients at Austin Regional Clinic (ARC). This decision comes with mixed emotions since ARC has become my professional home.

- **Friday, March 27, 2026, will be my last day seeing patients at ARC Northwest Hills Specialty.**

You are receiving this letter because you have had a screening colonoscopy with me in the past and I want you to know many ARC physicians continue to provide this service.

At ARC it is our standard that we support our partners and take care of each other's patients. My colleagues will be more than happy to provide any future colonoscopies and will take excellent care of your health. Please continue your preventive visits with your primary care provider (PCP) so they can refer you for a colonoscopy whenever needed. I recommend the following **gastroenterologists and general surgeons at these ARC locations:**

#### ARC Greenlawn Specialty

- Marco Vinicio Medina-Zea, MD, FACS, FASMBS
- Arielle C. DuBose, MD, FACS, FASCRS
- Bao C. Nguyen, MD, FACS

#### ARC South 1st Specialty and Pediatrics

- Rachael E.P. Seddighzadeh, DO, MS
- Delfino Estevan Lorenzo, MD, FACS
- Joseph E. Garcia, MD

#### ARC Medical Plaza Specialty

- WeiWei, Cao, MD, PhD – Gastroenterologist
- Marco Vinicio Medina-Zea, MD, FACS, FASMBS
- Arielle C. DuBose, MD, FACS, FASCRS
- Christopher W. Bailey, MD, FACS

#### ARC Far West Medical Tower

- Kevin O'Farrell, MD

- Call **512-ARC-INFO** and press **"6"** for personal guidance on choosing a new gastroenterologist or general surgeon for your colonoscopy.

I am truly grateful to you for entrusting me with your health.
