Dear Patient,

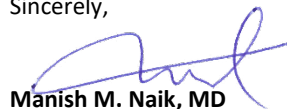

I hope this letter finds you in good health. After much thought and careful consideration, **David B. Udall, MD** has decided to transition his career outside of Austin Regional Clinic to focus on family. Dr. Udall was an on-call doctor at ARC. His last day at ARC was **Friday, June 30, 2023**.

Our records indicate that you had an urgent care visit with Dr. Udall sometime in the last two years and we want you to know his departure will not impact your care at Austin Regional Clinic. Your regular doctor and care at ARC will not change.

It is very important to us that you maintain continuous health care, so your medical records from your visits with Dr. Udall will remain at Austin Regional Clinic. ARC's electronic medical record system allows your records to be accessed from any ARC location and ensures that all notes and all your medical records will be available for your continued care.

We thank you for being a patient at Austin Regional Clinic and wish you good health.

Sincerely,

**Manish M. Naik, MD**
