Dear Patient,

I hope this letter finds you in good health. After much thought and careful consideration, **Victoria M. Flores, MD**, has decided to transition her career outside of Austin Regional Clinic to pursue other opportunities. Dr. Flores was a same-day/urgent care doctor and her last day seeing patients at ARC was **Friday, January 26, 2024**.

Our records indicate that you had an urgent care visit with Dr. Flores sometime in the last two years and we want you to know her departure will not impact or change your regular doctor and care at ARC.

It is very important to us that you maintain continuous health care, so be assured that your medical records from any visits with Dr. Flores will remain with ARC. ARC's electronic medical record system allows your records to be accessed from any ARC location and ensures that all notes and all your medical records will be available for your continued care.

We thank you for being a patient at Austin Regional Clinic and wish you good health.

Sincerely,

Manish M. Naik, MD
