

February 24, 2023

Dear Patient,

I hope this letter finds you in good health. After much thought and consideration, I have decided to relocate my practice from ARC Far West to our newest location, ARC Westlake, located at 5656 Bee Cave Road, Ste G-200, West Lake Hills, TX 78746, in the Westlake Medical Center.

- **Friday, April 14, 2023**, will be my last day seeing patients at ARC Far West.
- **Monday, April 17, 2023**, will be my first day seeing patients at ARC Westlake.

Please disregard this letter if you are not a regular patient of mine, your care at ARC will not change.

It is very important to me as well as to ARC that you maintain continuous health care. Austin Regional Clinic's electronic medical record system allows your medical records to be accessible from any ARC location and ensures that all my notes and all your medical records will be available for your care.

I would be delighted if you continued your care with me at ARC Westlake, but I understand if you would like to stay at ARC Far West. Should you choose to stay, here is a list of my colleagues accepting new patients at ARC Far West:

- Swati D. Date, MD (*IM*)
- Bruce M. Doxey, MD (*FM*)
- David I. Wartenberg, MD, FAAA (*FM*)
- Grace Ching, MD (*FM*)
- Julian C. Garcia, DO (*FM*)
- Yuefeng Wu, MD (*FM*)

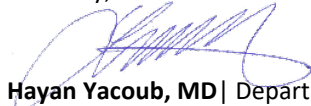

For your convenience, you can schedule your next appointment with me or one of my colleagues in any of the following ways:

- Schedule directly at MyChartARC.com or on the ARC MyChart app, if you have an ARC MyChart account.
- Book an appointment online at ARCappointments.com.

If you would like additional help choosing a new doctor, please call our information and referral line at **512-ARC-INFO**. You can also read about all of our doctors at AustinRegionalClinic.com/find-a-doctor.

I am truly grateful to you for entrusting me with your health and I hope to see you at my new location in Westlake.
