Dear Patient,

I hope this letter finds you in good health. I am writing to inform you of an upcoming change which may affect your health care. After much thought and consideration, I have decided to relocate my practice from my current 3816 South 1st location to ARC South 1st, located at 3828 South 1st Street, Austin, TX, 78704, **directly across the parking lot.**

- **Friday, June 12, 2026**, will be my last day seeing patients at my current location.
- **Monday, June 15, 2026**, will be my first day seeing patients across the parking lot at ARC South 1st.

It is very important to me that your health care is not interrupted by this transition and that you maintain continuous care. Our electronic medical record system ensures that both my notes and your medical records will be accessible at my new ARC South 1st location.

For your convenience, you can schedule your next endocrinology appointment with me by calling **ARC South 1st** at **512-443-1311** and pressing “1” to speak with a scheduler, Monday - Friday, 7:30am - 5:00pm.

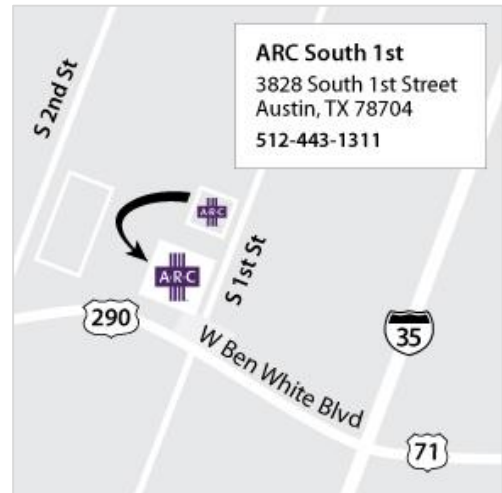

If you would like any additional help, please call **512-ARC-INFO** (512-272-4636) and press “6” or visit **Endocrinology.ARC.clinic** to learn more about our endocrinology department.

I am truly grateful to you for entrusting me with your health and I look forward to seeing you at my new ARC South 1st location.

Sincerely,

Farheen Yousuf, MD
