

Austin Allergy Calendar

Allergy Care at Austin Regional Clinic - If you have problems with allergies, check with your doctor about allergy testing. We can administer allergy tests, discuss how to best manage your allergies, and arrange for your allergy shots. Allergy shots can be administered at almost any ARC location. For more information about our allergy services please contact:

Dr. William Otto at ARC Far West 346-6611
 Dr. Juan Rodriguez at ARC South 443-1311
